

# GET THE MAZAK YOU WANT AT RATES YOU WON'T BELIEVE

In order to support our Canadian customers in an economy of highly volatile interest rates, Mazak Canada has arranged a limited time, special arrangement with our key machine finance companies. For qualified borrowers, we are offering 6% over 60 months.

Along with extremely competitive rates, we'll streamline your machine purchase with financing in either Canadian or US funds. We will also work with you on innovative payment solutions based on your business requirements.

## TOP 5 REASONS TO FINANCE VIA MAZAK CANADA

1. Provides flexible, timely and competitive financing for companies of all sizes.
2. Offers a one-stop, seamless purchasing experience with direct access to delivery and installation schedules.
3. Obtains application approvals quickly (often within 24 hours).
4. Creates customized financing programs to meet your specific requirements.
5. Preserves bank credit lines for working capital for your company's growth.
